EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 6:

In the second line delete "5" after "claim" and replace with "1".

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The subject matter of the independent claim could either not be found or was not suggested in the prior art of record. The subject matter not found for claim 1 is the bend in the portion closest to the reservoir occurring inside the casing of the implantable device, as well as with the triangular shape of the casing and the diffusion duct outside the casing being parallel to the side of the triangle opposite the vertex.

The subject matter not found for claim 7 deals with the triangular shape of the casing and the diffusion duct outside the implantable device being parallel to the side of

the triangle opposite the vertex and the diffusion duct portion adjacent the circular reservoir forming a tangent with the outer wall of the circular reservoir.

The specific geometrical shape disclosed in the claims and in applicant's invention allows for reduced trauma and a quicker, easier connection to a catheter (see page 4 of the specification).

The independent claims also include other patentable subject matter in combination with the other elements or steps of the claim not mention in the above paragraph.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MATTHEW F. DESANTO whose telephone number is (571)272-4957. The examiner can normally be reached on Monday-Friday 9:30-6:00.
